

National Night Out Against Crime

Tuesday, August 2, 2016

What is it?

National Night Out Against Crime is designed to increase crime prevention awareness, encourage partnerships between the community and police, and send a message to criminals that neighborhoods are organized and fighting back.

How can I participate?

Neighborhoods around the country host fun events like block parties, cookouts, visits from local police and sheriff departments, parades, youth programs, etc.

Where can I sign up and get more information?

Please register your neighborhood's National Night Out Against Crime event at
